

Transfer Advising Sheet for Health Science Program

**Florida State College at Jacksonville
Associate of Science Degree in Physical Therapist Assistant**

**Articulated Program with Nova Southeastern University
Bachelor of Health Science**

This transfer institution has agreed to accept the specified associate's degree from Florida State College at Jacksonville. The Florida State College at Jacksonville graduate will be accepted at the junior level, and is required to complete the equivalent of two years of full-time coursework to complete the specified bachelor's degree. The following chart shows the specific courses that the Florida State College at Jacksonville student is required to take to meet the guidelines of the articulation agreement with the transfer institution.

It is very important to make sure that your Program of Study at Florida State College at Jacksonville is Associate of Science in Physical Therapist Assistant. If you do not plan to transfer to this specific transfer institution, please follow the Program of Study, as specified in the College Catalog.

A new class is admitted each May. Admission to the technical phase of the program is limited and based upon academic performance and other criteria. An information/application packet outlining requirements, procedures, deadlines, costs and other pertinent information is available from the PTA department, North Campus. Please contact an advisor or visit the Program of Study webpage for more information.
