Transfer Advising Sheet for Computer Studies Program

Florida State College at Jacksonville
Associate of Arts or Associate of Science Degree

Articulated Program with University of Maryland University College
Bachelor of Science in Computer Studies Degree

This transfer institution has agreed to accept the specified associate's degree from Florida State College at Jacksonville. The Florida State College at Jacksonville graduate will be accepted at the junior level, and is required to complete the equivalent of two years of full-time coursework to complete the specified bachelor's degree.

It is very important to make sure that your Program of Study at Florida State College at Jacksonville is Associate of Arts or Associate of Science Degree. If you do not plan to transfer to this specific transfer institution, please follow the Program of Study, as specified in the Florida State College at Jacksonville Catalog.

Upon graduation from Florida State College at Jacksonville, University of Maryland University College (UMUC) will accept up to 70 credits from any AA or AS degree towards the BS Computer Studies, as best fits the major, and a total of 90 semester hours from all sources combined (such as American Council on Education recommended credit and credit for prior learning). Students will complete a minimum of 30 semester credit hours from University of Maryland University College towards the bachelor's degree. The UMUC bachelors' degree programs require a minimum of 120 semester credit hours.

If you are enrolled or a recent graduate of any AA or AS programs, please review the specific Transfer Advising Sheet found on the Transfer Services "Florida State College at Jacksonville Majors" search option page. **The transfer requirements are different for an AA student and an AS student, so please review the appropriate Transfer Advising Sheet.**
