Wireless Instruction – Google Android

The following instructional will show you how to connect your Google Android device wirelessly to **FSCJ-Wireless**.
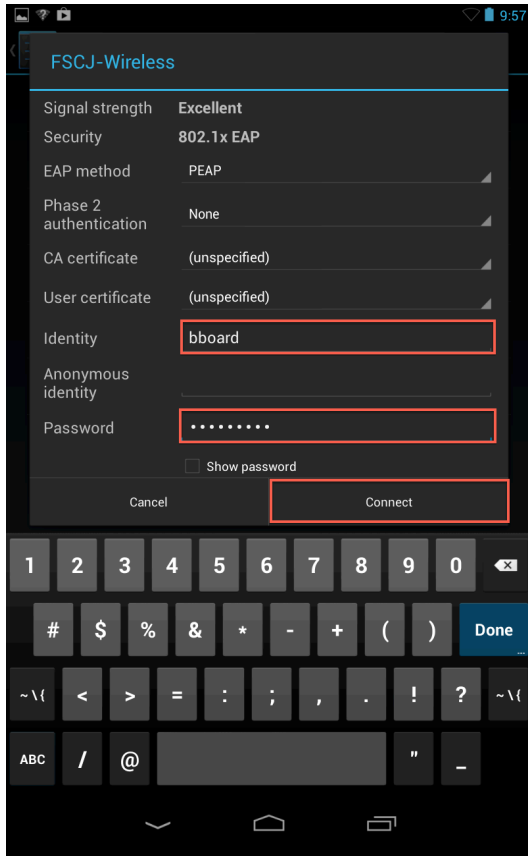

Step 1: From the Settings menu select "Wi-Fi."

Step 2: Select "FSCJ-Wireless."

Step 3: When prompted, enter the FSCJ username and password you use to log into Artemis or Connections. Then Click "Connect."

NOTE: Be sure to leave "Anonymous Idendity" blank.

Complete: You are now connected to FSCJ-Wireless.
